

## Pointscore Definitions & Summarised Fishing Rules

### Seasons:

The Club has two independent competition seasons.

Summer - Beginning on the 1st full weekend in September and ending on the last full weekend in May.

Winter - Beginning on the day following the end of the Summer season and ending on the day before the start of the next Summer season.

### Weekend:

A weekend includes public holidays which form part of a long weekend. (Fishing Rules 6) c.)

### Pointscore Days:

Summer Pointscore - Each weekend during the Summer season, plus...

Days included in a sanctioned tournament as defined in Fishing Rules 6) b and 6) d, that fall within the Summer Season

Winter Pointscore - Each weekend during the Winter season, plus...

Days included in a sanctioned tournament as defined in Fishing Rules 6) b and 6) d, that fall within the Winter Season

### Zone Pointscore Days:

As declared by the Southern Zone in their published Calendar.

Note: The Zone pointscore covers a full calendar year from 1st June to 31st May. Accordingly, points submitted to them from our Club for their annual awards also cover the same period.

### Boat Points:

Points scored by Angler from an affiliated NSWGFA Club, fishing on a Club registered boat, may be counted towards Club Champion Boat trophies.

### Fishing Times:

Fishing times on club pointscore days will be 5am to 5pm, or 5am to 7pm during the period of daylight saving. If the weekend is also a Zone pointscore weekend, then fishing times will be as per the Zone fishing rules current at the time, or Club fishing times, whichever is the later. Presently the Zone weekend fishing times are from 6pm Friday to Midnight Sunday.

Fishing times whilst representing the club in a sanctioned tournament will be the published tournament times.

Fish hooked outside the published tournament times may be counted in non-pointscore days, only if hooked within our own Clubs fishing boundaries.

When a fish is hooked before finish of fishing it may be played out and boated after finish time.

### Club Records:

Captures are eligible for Club records on all days, summer and winter.

### Categories & Species:

In all instances in the fishing rules and trophies, where a category is mentioned (i.e. Tuna, Shark, etc.), it includes the Species as defined in the NSWGFA Tournament Rules current at the time. Presently they are...

MARLIN	OTHER BILLFISH	SHARKS	TUNA	OTHER GAME FISH	JUNIORS
